

University of Toronto McLaughlin Centre 2021 Meeting Awards

As a joint initiative between the University of Toronto (UofT) and partner TAHSN hospital/research institutions, the McLaughlin Centre remains steadfast in advancing genomic medicine through research and education. The McLaughlin Centre continues to be committed to the principles of Equity, Diversity and Inclusion (EDI) in order to strengthen the quality and impact of research. The McLaughlin Centre is pleased to announce our first Meeting Award for 2021 aimed at supporting outreach and knowledge transfer at the [American Society of Human Genetics \(ASHG\) Virtual Meeting 2021](#). Investigators and Trainees currently affiliated with UofT and TAHSN hospital/research institutions are eligible to apply for meeting registration reimbursements provided that:

1. You are invited to give an oral presentation in one of these sessions at the ASHG 2021 meeting: Plenary, Platform, Invited and Poster Talk;

OR

2. You are interested to learn about EDI-related issues in genetics and genomics and committed to attend all 4 EDI-related sessions* at the ASHG 2021 meeting, but require financial assistance for meeting registration.

*

Global genomics and health equity: Challenges and opportunities.
(Wednesday, October 20, 3:30 – 5:00 pm ET)

Workforce diversity in genomics: Equity and the meaning of inclusion.
(Thursday, October 21, 3:30 – 5:00 pm ET)

Cross-ancestry genomic research: Time to bridge the gap.
(Thursday, October 21, 3:30 – 5:00 pm ET)

Gatekeeping genetics: Towards a more diverse, just, and inclusive research enterprise.
(Friday, October 22, 3:30 – 5:00 pm ET)
